PROVISIONAL RESULTS OF THE OFFERS

Based on the provisional results communicated by Equita SIM S.p.A, in its capacity as the intermediary in charge of coordinating the collection of acceptances, (i) a total of No. 6,015,951 Shares, representing approximately 69.12% of the Issuer's share capital to the Offer on Shares; and (ii) a total of no. 5,208,040 Warrants, representing approximately 65.89% of the Issuer's Warrants issued and outstanding as of the date of this press release to the Offer on Warrants, were tendered during the Tender Period ended today, as last extended.

OFFERS CONDITIONS

As stated in Paragraph A.2 of the Offer Document, the effectiveness of the Offers is subject to the occurrence of the following conditions precedent:

- (i) the Threshold Conditions, for the occurrence of which it is required that **(a)** acceptances of the Offer on Shares relate to an aggregate number of Shares such as to enable the Offeror to come to hold an aggregate participation of at least 90% of the Issuer's share capital, including Shares held by Persons Acting in Concert and any Shares eventually acquired by the Offeror outside the Offer itself in compliance with applicable statutory and regulatory provisions (the "**Share Threshold Condition**"), and **(b)** the acceptances of the Offers on Warrants relate to a total number of Warrants such that the Offeror will come to hold at least 95% of the Issuer's issued and outstanding warrants, including the Warrants held by the Persons Acting in Concert and any Warrants eventually purchased by the Offeror outside the Offer itself in compliance with applicable statutory and regulatory provision (the "**Warrant Threshold Condition**");
- (ii) the Material Acts Condition;
- (iii) the Defensive Measure Condition; and
- (iv) the MAC Condition.

For the sake of completeness, it should be noted that the Share Threshold Condition and the Warrant Threshold Condition are intended to be cumulative and cross, with the consequence that if even one of them is not fulfilled (i.e., the Offeror does not exercise the right to waive it), both Offers will not be fulfilled.

In light of the provisional results of the Offer as set forth in this announcement, the Offeror hereby announces that:

- the event inferred in the Shares Threshold Condition (should these provisional results be confirmed) would turn out to have occurred;
- the event inferred in the Warrant Threshold Condition (should these provisional results be confirmed) would turn out to have occurred.

As a result of the foregoing, in view of the Offeror's achievement at the end of the Tender Period (as extended), on the basis of the provisional results referred to above (if confirmed), of a stake of at least 95% of the Issuer's share capital and the holding of at least 95% of the Issuer's issued and outstanding warrants, it is hereby announced that: (i) pursuant to and for the purposes of Article 40-bis, paragraph 3, letter b) of the Issuers' Regulations, the reopening of the terms of the Tender Period will not take place; and (ii) the prerequisites by law and bylaws for the exercise of the Squeeze-out Right pursuant to Article 111 of the TUF and the Purchase Obligation pursuant to Article 108, paragraph 1, of the TUF of the remaining 141.607 Shares, equal to 1.63% of the share capital and the prerequisites by law and bylaws for the exercise of the Squeeze-out Right pursuant to Article 111 of the TUF of the remaining 314,100 Warrant equal to 3.97% of the of the Issuer's issued and outstanding warrants have been met.

It is understood that the Offer is in any case subject to the further Conditions of Effectiveness; therefore, as already indicated in the Offer Document, should the provisional results be confirmed and, therefore, the Share Threshold Condition be fulfilled, the consideration due for the Shares purchased through the exercise of the Squeeze-out Right and the fulfillment of the Purchase Obligation pursuant to Article 108, paragraph 1, of the TUF will be equal to the Share Price and, therefore, equal to Euro 4.20 per Share and the consideration due for the warrants purchased through the exercise of the Squeeze-out Right will be equal to the Warrant Price and therefore, equal to Euro 0,78 per Warrant.

With respect to the Relevant Acts Condition, the Defensive Measures Condition, and the MAC Condition, the Offeror hereby gives notice that it will disclose, no later than 7:59 a.m. on the Stock Market Trading Day prior to the Payment Date, as last extended, the occurrence or non-occurrence of the aforementioned additional conditions and, if they have not occurred, its decision, if any, to waive them.

It should be recalled that in the event that any of the Conditions of Effectiveness of the Offers are not met and the Offeror does not exercise its right to waive them, the Offers will not be completed. In such a scenario, any Shares and Warrants tendered to the Offers will be returned to their respective holders by the Stock Market Trading Day following the date on which notice is given that the Offers have not been completed.
